Kia Ora!

I'm Claudia, a UX/UI design student with a strong interest in **interactive design** and **user experience**. I am passionate about understanding how people interact with technology and translating that into thoughtful, intuitive design solutions. I enjoy learning new tools and staying updated on the latest trends to continuously improve my skills. I'm excited to contribute my creativity and growing expertise to projects that make a meaningful impact.

Experience

FOH / BARTENDER
[HOLEY MOLEY, FUNLAB]

PART-TIME
AUG 2025 - PRESENT

Combined bartending expertise with front-of-house service to deliver fun, engaging, and memorable experiences for guests.

ONLINE MANAGER
